

Amendments to the Specification:

Please replace the paragraph beginning at page 8, line 1 with the following amended paragraph:

It will be understood that, as used herein, the term "floating" (in reference to the floating parasitic element 340) includes configurations where the parasitic element is electrically isolated from (or electrically floats relative to) a ground plane associated with the ~~multi-band~~ multi-band antenna 300. It will be understood that the term "ground plane", as used herein, is not limited to the form of a plane. For example, the "ground plane" may be a strip or any shape or reasonable size.
